Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I receive monthly shipments of HRT from
Madison Pharmacy for Women located in W.V.
I live in N.J. There are no comparable pharmacies
in my area and I would not like to go back
to experiencing the symptoms that my customized
HRT prescriptions prevent - including depression,
anxiety, moodiness, hot flashes, sleeplessness, etc.
